Get tax right the first time, every time

ONESOURCE Indirect Compliance for US and Canada

Industry standard for sales and use tax and GST compliance

For tax professionals, tax return compliance is a monthly burden. An ever-changing tax landscape, an expanding business footprint or offering, and industry complexities can be hurdles to having confidence in your compliance process.

With Thomson Reuters ONESOURCE™ Indirect Compliance, streamline the tax compliance process with real-time rates and rules, customizable tools, and support for e-filing — plus powerful data reconciliation, adjustment, and reporting capabilities. You can choose federal, state, county, city, or district as necessary to meet the unique needs of your business.

Control the tax return process

Get the power and flexibility you need to feel confident in your tax return process. Through a cloud-based solution, ONESOURCE Indirect Compliance empowers users with complete control, allowing them to achieve better efficiency at a lower cost through eliminating software maintenance and producing accurate returns with fewer clicks.

Get jurisdiction coverage, including e-filing

ONESOURCE Indirect Compliance has forms relevant to most businesses, providing more than 750 signature-ready returns that are facsimiles of the official forms and are a market leader in e-filing support.
